

RE: 2010-2011 COMMITTEE ASSIGNMENTS

July 12, 2010

Dear Bar Member:

In order to have an effective Bar Association it is important that committee members participate in the committee objective by working actively together. Active committees are the heart of our Bar Association and provide a sense of belonging to the organization. Your participation will be appreciated by me and will be personally rewarding to you.

Please do not request a committee appointment unless you will be able to devote the time required to be active in that committee.

In accordance with the By-Laws, unexcused absence from two consecutive committee meetings may be deemed as a resignation and the vacancy may be filled by the President.

In order that your preferences may be given proper consideration, please indicate your 1st, 2nd, and 3rd choices by inserting numbers "1", "2" and "3" next to the selected committees named below.

Assignments will be made on the basis of these forms in addition to the recommendation by the current Chairpersons to the President.

Please note that appointment and reappointment to the Judiciary and Grievance Committees is made by the President. Please be sure to submit your request before **July 30, 2010** for inclusion in the Bar Directory. Requests received after that date may not appear in the next directory.

BE ADVISED THAT REAPPOINTMENT TO COMMITTEES IS NOT AUTOMATIC.
